

## DID YOU KNOW?

You can save energy and money by setting your air conditioner thermostat at the warmest comfortable temperature. Each degree above 75 degrees fahrenheit saves you approximately 3 percent of the energy used to cool your home. *Source: HECO.com*

### JOHN COOK KITCHENS

623 KAKOI ST. + 599-3533 + [JOHNCOOKKITCHENS.COM](http://JOHNCOOKKITCHENS.COM)

**J**ohn Cook Kitchens is an award-winning, full-service design and remodeling company, specializing in kitchens, baths and, now, closet systems. Each project features innovative design backed by decades of experience.

Shelley Tanner, Certified Kitchen Designer (CKD), has been with John Cook Kitchens for more than 18 years and serves as the company's lead designer. "What separates John Cook Kitchens from other companies is our proven track record and attention to detail, especially since kitchens are much more complex now versus 20 to 25 years ago," says Tanner, who has won multiple awards from the National Kitchen and Bath Association (NKBA) Aloha Chapter.
